Wine events with lectures and wine tasting

A cozy evening for family, neighbors, friends, staff and customers, team building, wine club, Friday bar...

Our events are organized according to your wishes and ideas. We can arrange an event at your location, and we welcome small groups at our place as well. We can also be booked to be in charge of wine serving in connection with receptions, customer meetings, vernissages, etc.

Example:

Lecture + tasting of LIBBY'S PRIDE Wines

Duration approx. 2 h

- Lecture on our socio-economic enterprise, South Africa, the partnership with Libby, support and donations to the Beth Uriel Youth Home
- Wine tasting of 6 of Libby's wines: 3 red, 2 white, 1 rosé

Extra wine, snacks and tapas can be purchased. In connection with our events, it is also always possible to buy wine and coffee to take home.
